

E Safety Checklist For Parents

Follow this simple checklist, to protect your children and decrease the risks they face online.

Checklist	Why?	Y/N
I have asked my child to show me sites they use.	By doing so, your child is including you in their online life and social activity. Show an interest and take note of the names of their favourite sites. You can then re-visit these when you are alone. Take your time and explore the space, find out how to set the safety features and learn how to report any issues directly to the site.	
I have asked my child to set their profile settings to private.	Social Media sites such as Facebook, Instagram, Snapchat and Tik Tok, are used by children to share information, photos and just about everything they do! Encourage your child to set their privacy settings to private. They need to think about the information they post online as it could be copied and pasted anywhere without their permission. If it got into the wrong hands, somebody may wish to use it against them or worst of all try to locate them in the real world. Do not support your child using Social Medias if they are below the minimum age (13 years old) or if you believe they are not mature enough yet to use them sensibly.	
I have set appropriate parental controls on my child's computer, mobile and games console.	Filters on computers and mobiles can prevent your child from viewing inappropriate and possibly illegal content. You can activate and change levels depending on your child's age and abilities. You can also set time restrictions for using the internet or games. They can be free and easy to install. Call your service provider who will be happy to assist. Explain to your child why you are setting parental controls when you talk to them about internet use.	
My child has agreed to tell me if they are worried about something online.	Sometimes children get into situations online where they don't feel comfortable or see something they don't want to see. By opening up the communications channel and talking to your child about the internet, their favourite sites and the risks they may encounter, they are more likely to turn to you if they are concerned about something.	
Who is a stranger?	Remind your child regularly that people they might come into contact with online are not friends. They should only have online contact with people they actually know and trust. They should not engage in conversation online with people they don't know.	
Online Time	Your child is now spending a lot of time in front of a screen to access remote learning. Try to ensure they are spending adequate time away from a screen during their leisure time in the evenings and at weekends. Fresh air and exercise is really important for their mental health.	

BENSHAM MANOR *School*

Ecclesbourne Road, Croydon CR7 7BN

T: 0208 684 0116 E: theoffice@benshammanor.com W: www.benshammanor.co.uk

Headteacher : Mrs Fiona Robinson MA NPQH

Deputy Headteacher: Mrs Kirstie Byrne B.Ed (Hons) NPQH

I know where to get help if I'm concerned about my child.

The CEOP Safety Centre provides access to a range of services. If you are concerned that an adult has made inappropriate contact with your child you can report this directly to CEOP. You can also find help if you think your child is being bullied, or if you've come across something on the internet which you may think is illegal. Young and vulnerable people are at risk of
Visit www.ceop.police.uk/safety-centre for further information.
