

Online Safety

We know that our young people are more vulnerable when online for a number of different reasons. Bensham Manor school has joined National Online Safety which gives you access to a wide range of explainer videos and guides. It is easily accessed via your phone, table or laptop. If you have any difficulties accessing this, please let me know -

BRAND NEW

National Online Safety Mobile App

It's time to get **#OnlineSafetySavvy**.

Children are spending more time than ever online. As adults, we need to do everything we can to keep them safe in the digital world. But with new apps, games and platforms emerging every day, how can you stay in the know?

Say hello to the new National Online Safety mobile application. Created by experts, developed by us. With all online safety knowledge available at your fingertips, the NOS app empowers parents and teachers to understand and address online safeguarding risks - any time, anywhere.

The world's most comprehensive online safety app, it's packed with insightful courses, explainer videos, webinars and guides on topics that will help you protect the kids you care about when they're online.

A lot of our young people access YouTube and get a great deal of enjoyment from it. There are some easy steps which you can take to make this safer. Please view the link 'YouTube Info' on our E-Safety page.
