Dear Parents/Carers,

We are delighted that your son / daughter will be joining us in September 2022.

Transitions can be challenging for a lot of young people and particularly those with additional needs. We will work together with your son / daughter, their current school and yourselves to make this transition as smooth as we can.

In this transition pack we have sent:

- a booklet for your son / daughter to read, this should give them some answers to questions that they may be thinking of
- suggestions to you as a family about how you can prepare your son / daughter for coming to secondary school.

(For some of you this may be what you have done already for older siblings but some parents will be first timers!)

- We have also sent a transition list for school staff to help them to prepare your son / daughter.

Your son / daughter will have a Taster Day in the summer term and we will be in touch with more details about that later in the term.

We will be emailing you information about the day - please can you check the address we have and let us know if there are any errors with it.

The school website has a virtual map, if you click on any pulsing + signs it will show you various learning sites and places around the school -

We look forward to working together to achieve the best possible outcomes for your son and daughter, their happiness and safety are paramount to us.

Yours sincerely,

Fiona Robinson
